ARTICLE I RECOGNITION

- A. The School Committee of the Town of Little Compton, hereinafter referred to as the Committee, recognizes the Little Compton Teachers' Association, hereinafter referred to as the Association, as sole representative of all certified personnel (excluding administrative staff and per diem substitutes) employed or to be employed in the Little Compton School Department, hereinafter referred to as School Department, by the Committee.
- B. The Association recognizes that the Committee, as the agent of the State of Rhode Island and as the elected representatives of the Town of Little Compton, is the employer of the certified personnel of the School Department.
- C. The purpose of this mutual recognition is the agreement that the parties will act in good faith, one toward the other.
- D. The Committee hereby recognizes the Association as the exclusive bargaining representative for all those employees in positions requiring a teaching or special services certificate (excluding administrative staff and per diem substitutes) employed by the Committee, for the purpose of negotiating, with respect to salaries and all other conditions of employment. Any reference to part-time teachers in this Agreement shall mean teachers who work less than three (3) days per week or less than twenty-one (21) periods per week.

ARTICLE II PRINCIPLES

- A. Attainment of the objectives of the educational program of the school system requires mutual understanding and cooperation between the Committee and the Association. In light of the complexities involved in the operation of a school system, free and open exchange of views is desirable and necessary, with both parties participating in deliberations leading to the determination of matters of mutual concern.
- B. It is also recognized and agreed that each teacher shall assume, in a professional and ethical manner, the responsibilities of the Agreement and all other school department policies and regulations not inconsistent with this Agreement.
- C. The members of the Association feel that each member of the professional group should give as early notice as possible of his/her/their intention of leaving the employ of the Committee, and the Association pledges its members to the fulfillment of this ethical procedure. Unless precluded by special circumstances, a minimum of one (1) month's notice shall be given.

- D. The Committee and the Association do hereby agree that the welfare and education of the children of the Town of Little Compton is the first consideration in the operation of the schools and will be promoted by both parties.

ARTICLE III GRIEVANCE PROCEDURE

A. DEFINITION

A "Grievance" is a claim based on an event or condition which affects the welfare and/or conditions of employment of a teacher or of a group of teachers and/or the interpretation, meaning or application of any of the provisions of this Agreement.

B. PURPOSE

1. The purpose of this procedure is to procure fast, equitable solutions to the problems which may from time-to-time arise affecting the welfare or working conditions of teachers. Both parties agree that those proceedings will be kept as informal and confidential as may be appropriate.
2. Nothing herein contained will be construed as limiting the right of any teacher having a grievance to discuss the matter informally with a member of the Administration without intervention by the Association.

C. PROCEDURE

1. A member with a potential grievance will first discuss the matter with the Principal, either directly or through their LCTA representative, with the objective of resolving the matter informally.
2. If the matter cannot be resolved informally, a grievance must be filed in writing the Association, on behalf of its member or members, with the appropriate administrator within twenty (20) school days of the time the member(s) and/or the Association first knew or should have known of the act or omission giving rise to the grievance.
3. The appropriate administrator shall meet with the aggrieved person and the Association within ten (10) school days of his/her/their receipt of the grievance. The appropriate administrator shall issue a decision within ten (10) school days of the meeting.
4. If the grievance is initially filed with the building principal and the Association is not satisfied with the disposition of the grievance or if no written decision has been rendered within the time limits of Subsection 3 above, the Association on behalf of its member or members, within ten (10) school days thereafter may file the grievance in writing with the Superintendent. The Superintendent shall meet with the aggrieved Person and the Association within ten (10) school days of the receipt of the grievance.

If the Association is not satisfied with the disposition of the grievance from the Superintendent or if no written decision has been rendered within the time limits of Subsection (4) above, the Association, on behalf of its member or member(s), within ten (10) school days thereafter may file the grievance in writing with the

School Committee. The Committee shall meet with the aggrieved person and the Association within ten (10) school days of the receipt of the grievance, or at the next regular Committee meeting not to exceed thirty (30) days from the receipt of the grievance..

The School Committee shall issue a decision within ten (10) school days of the meeting.

3. The parties shall pay their own respective cost arising out of the grievance. The aggrieved person shall pay for any copies of materials he/she/they requests if the Committee is obligated to secure such materials.
4. In the event a grievance is filed which may not be finally resolved under the time limits set forth herein by the end of the school year and could, therefore, result in irreparable harm to a party in interest, the parties will make every reasonable effort to reduce the time limits set forth herein so that the grievance procedure may be exhausted prior to the close of the school year.
5. The Committee may require any teacher and/or Association representative to appear before them in order to ascertain first-hand knowledge or information in any grievance.

The teacher must return at the beginning of the school year in September. If the teacher commences parental leave after January 1 of any year, the teacher may take such parental leave in excess of one (1) year providing for a return at the beginning of the school year in September of the following calendar year. The election to take parental leave must be made prior to the commencement of the leave. A teacher on parental leave must notify the Superintendent by March 1 as to whether or not she/he plans to return after each year of leave.

Upon her/his return, the teacher shall be placed in the assignment that she/he left if the position is still open. All unused benefits accrued prior to said leave shall be credited to the teacher.

The foregoing shall be accomplished in accordance with 16-7-19.1 of the General Laws of Rhode Island, as amended.

Teachers shall not perform lunchroom duty, bus duty and recess duty. Said duties shall be performed by teacher assistants. Teachers shall not handle insurance money or lunch money but will continue to collect picture money. These duties shall be performed by teacher assistants.

The Committee shall relieve teachers of typing, reproduction and other clerical duties provided that there shall be no increase in the number of hours of assistants and no decrease in the duties performed by assistants. However, teachers shall reproduce their own materials when necessary. The teachers and the Superintendent shall cooperatively schedule the aide time in an attempt to achieve the foregoing.

- a. Total amount of prior certified service in the Little Compton School System;
 - b. Full-time employment creates more seniority than part-time employment;
 - c. Total amount of certified service as a per diem substitute in the Little Compton School System;
 - d. If, after exhausting the above criteria, two (2) or more certified employees still have the same amount of seniority, their relative positions shall be determined by a lottery, the form of which shall be determined by the Superintendent and the President of the Little Compton Teachers' Association.
- C. A layoff, as that term is used in this agreement, shall mean and refer to termination or suspension of employment for any reason other than performance, misconduct, resignation, retirement or disability. Laid off teachers shall retain their seniority for the duration of time in which they have a right to recall.
- D. Recall.
- a. Any teacher laid off shall retain recall rights for a period of 5 years.
 - b. No new teacher may be hired for any vacancy until all teachers on layoff who have the right of recall have been afforded their right under this Article.

The Association president will be notified by a phone call.

- d. Any teacher given notice pursuant to this section shall respond and notify the superintendent in writing of his or her intent to accept or reject the position within a period often (10) calendar days.
 - e. If a notified teacher refuses to accept the position offered, or fails to respond to such notification within ten (10) calendar days, such teacher will lose all rights under this provision.

- B. The Committee will provide the Association with an advanced copy of the agenda for each official Committee meeting.
- C. The Association shall publish the approved Agreement and distribute a copy to all members of the negotiating unit.
- D. All teachers employed a minimum of three (3) days per week or twenty-one (21) periods shall be considered full-time and be subject to the terms of this Contract. time. After one hundred and thirty five (135) days, a Long Term Substitute shall receive all benefits of the contract except seniority. Exception: A Long Term Substitute hired prior to the beginning of the school year to replace a teacher for the full year shall receive all the benefits of the contract except seniority.

In the event the Long Term Substitute has worked as a Long Term Substitute for one hundred thirty-five (135) days or more in any one school year and is then appointed to a permanent position for the following school year, he/she/they shall receive step credit for the year (s) worked as a Long Term Substitute.

ARTICLE XXIII TUITION

All successfully completed courses requested by the Superintendent after hire and beyond certification requirements, shall be paid by the school committee.

Such tuition reimbursement shall not include courses needed for purposes of transfer or hire.
